2023 - LeadingAI AWS DeepRacer AI + Leadership Training

Interested to **learn AI / ChatGPT, Machine Learning** and train scaled autonomous vehicle to compete in **Amazon's AI self-driving car global races?**

In 2019, Head Coach – Jacky led two teams who won the Championship of WAICY (World Artificial Intelligence Competition for Youth).

We have successfully trained students since 2020 in Amazon races. Many of our students won Top 10% of Global ranking. Our student won monthly Championship in 2021 and 2022 Global Race and holds the fastest in-person race World Record.

We will form small select high school teams across North America (USA and Canada), with each member expected to spend 4 to 6 hours each week on Amazon DeepRacer project.

Training will start on **Oct. 21, 2023**, for **4 weeks** (every **Saturday** 2pm - 6pm Eastern Time) **through Zoom**. Award Ceremony: **Nov. 18, 2023**

If you are accepted as a member, you would pay **tuition and material fee of US $240**. You would also pay for any compute time you use on Amazon AWS for AI training. Need-based scholarships are available.
